

## In the Studios

### MY STORY & THE NEW COUNTESS

Producer **Scott Sherratt** is always busy -- recently, he produced and directed **Elizabeth Smart** in Salt Lake City, Utah, reading her memoir *MY STORY*. And he was in the studio again with narrator **Katherine Kellgren** for the third novel in Fay Weldon's *Habits of the House* trilogy, *THE NEW COUNTESS*.

*MY STORY* available now; *THE NEW COUNTESS* available December 17, both from Macmillan Audio.
