AMY POEHLER • Yes Please

Read by Amy Poehler, Carol Burnett, Seth Meyers, Mike Schur, Eileen Poehler, William Poehler, Patrick Stewart, Kathleen Turner

Unabridged/ Release date: October 28

Amy Poehler

Actress and comedian Amy Poehler's memoir is full of charm and life lessons, but what's really fun is how out of the box the audiobook production is. Poehler sounds consistently warm, funny, and genuine, and it's only a matter of time before she'll have you laughing out loud.
